This how-to guide provides instructions for students on how to participate in a Poll Everywhere poll.  

We’ll cover:

1. Downloading a mobile app to participate.
2. Using a browser on a laptop.

Using a Mobile Device with the Poll Everywhere App

1. Go to the App Store on your phone.
2. Search “poll everywhere.”
3. Tap “Poll Everywhere” in the search results.
4. Download the app.
5. Open the app.
6. Tap I’m participating.
7. Tap Login.
8. Enter your Husky email address.  
   At this point, Poll Everywhere will recognize your Husky account. Tap the Single-Sign On link. This will bring you to Northeastern’s single sign on page.
9. Sign in with your Husky account.
10. Enter the presentation URL provided by the instructor. It is PollEv.com/... followed by the presenter’s unique ID. When the presenter’s poll is not activated, you’ll see the screen to the right.

11. When the presenter activates a poll, you’ll be able to respond on your mobile device.

Joining a Poll via a Browser

1. Open a web browser, preferably Chrome or Firefox.
2. Go to pollev.com.
3. Click the hamburger (three-dash) icon in the upper right hand corner.
4. Click Log In.
5. Enter your husky email address.
6. Click Single-Sign On.
7. Enter your Husky account credentials and log in.

8. Enter the presentation URL provided by the presenter. It is PollEv.com/... followed by the presenter’s unique ID.

9. Then click Join.

10. When the presenter’s poll is not activated, you’ll see the screen to the right.

11. When the presenter activates a poll, you’ll be able to respond on your laptop.
