
Take the reported gamer type that you are and write up 1-2 page reflection of the player type discussed and how you agree or not with it, citing example games and parts of games that you enjoy playing.

**How to submit:** Submit 2 pdfs.

- the result of the Brainhex survey; your gamer type
- the reflection piece on why you agree or disagree with it

**Rubric:** if you submit the two pdfs, you get half the grade (2.5). The other half you get depending on how well you make your argument to disagree or agree with the play style results (2.5).

If you have any questions or comments, please first post your questions on piazza, if you do not have an answer in 24 hours email the instructor.
