Examples of Auslander-Reiten quivers for equipped graphs

To accompany the lecture:

William Crawley-Boevey
Representations of Equipped Graphs

Maurice Auslander Distinguished Lectures and International Conference
Woods Hole, April 25 - 30, 2018
Auslander-Reiten quiver for $A_4$
Auslander-Reiten quiver for $E_6$
Auslander-Reiten quiver for $\tilde{E}_8$
Auslander-Reiten quiver for $\tilde{D}_6$

$\mathbb{P}^1$-family of tubes with two of rank 2 and one as shown
Auslander-Reiten quiver for $\tilde{A}_3$

Family of homogeneous tubes indexed by $\mathbb{A}^1$ minus one point
